Omg You Died Mimi Your Score: 0 Slither is UnBlocked Snake Game, Survival Game Best Player Area, you can save your score at the end of the game, your saved score will be listed with the flag of your country. New snake game, much more fun now, we recommend you to try now with a new version: Parynhar Edition, why we use this name, there is a Youtuber that we have been following for a long time, its name is Parynhar! I enjoy seeing the videos and content he has prepared at such an intensity, I take the time for him, and I have a lot of fun watching his videos. We've seen our game once and we're very happy about it. In our new game, we made it a gesture :) Parynhar adapts his videos really very carefully when he assembles, and every second of the videos is funny ... I particularly like parynhar Paperio3 :) When we talk about the Slither is game, how slither io... I think there is no need to say much, everyone knows how to play, move the mouse on the screen, eat the bait and fat :) but don't let the other players kill you while you're doing all of this. If you do, you need to :(We do not use annoying ads in our game, so you do not need to disable your ad blockers, we do not display inappropriate ads in any way, remember that the only reason we show ads is not to bother you, just to cover the server costs, the ad block must be closed anyway to save the score with the last update, We know that you are bored with this, but we want you to understand us as well. Any fun games ... If there is a problem, please write to us from the communication area. DATA PROTECTION Policy We use third-party advertising companies to run ads when you visit our website. Tags: Y8 - Kizi - Gogy - Friv - Crazy Games Slither io 2 is an updated version of one of the most popular io game. You can cut enemy snakes, just like the knife cuts peanut butter! How to PlayYour goal in Slither io 2 is the and to have the largest snake. One of the easiest ways is to collect color pellets. Explore the map and collect as many as possible. Sometimes you hit a triangle, it's a speed amplifier. Very useful, helps to collect pellets faster. If you hold a mouse button, you can also speed up, but this action consumes your points (length of the snake). The next step in Slither io 2 is to kill other snakes. Defeated snake leaves behind the mass it had in the form of pellets. Other players can eat food and get the points had killed snake. The snake is dead when it meets the body of other snakes. The main feature of Slither io 2 is STAR Booster. When you take up this power, you will be covered with rainbow shields and you can cut the enemies! The tail becomes pellets and the head goes on. This makes the game more difficult, because even small players can cut top players and change the leaderboard. ControlsMouse to moveClick to boost Home » Strategy » Slither.io Slither.io is a classic multiplayer io game that creates the popular Slither style. Play online against all the snakes on the server and eat the most food to turn them into the longest creature! To get longer and ascend, you should pick up available heirs on Slither.io playing field and the remains of killed players. It's easy to boost. But it's a challenge to block and cut someone off. Always defend your head for survival! Good luck!
